Nevada Rangeland Monitoring Handbook and/or Ranchers' Monitoring Guide

We the authors of the Nevada Rangeland Monitoring Handbook and Ranchers' Monitoring Guide invite your comments regarding these publications. We would like to correct any deficiencies or mistakes and learn from your experiences in its implementation. **We welcome responses to any of these questions.** Please reply by:
Fax (775-784-4583),
Phone (775-784-4057),
Email (sswanson@cabnr.unr.edu), or
Mail (Sherman Swanson, University of Nevada, Reno, 1000 Valley rd. Reno, NV 89512)

Are these publications clearly written and understandable?

If not, where is there confusion?

Is the information in these publications useful for your rangeland monitoring needs?

If not, how and where could they be improved?

Have you applied these publications to monitoring rangelands or rangeland management?

If so, How?

Has the monitoring information led to improvements in rangeland management?

If so, What?

Are you engaged in cooperative monitoring?

If so, with whom?
