

NEVADA SRM YOUTH DELEGATE CONTEST

Winner represents the Nevada Society for Range Management (SRM) Section in the 2021 High School Youth Forum held in Boise, ID. Trip will be partially sponsored by Nevada SRM.

What are Rangelands/ What is SRM? Rangelands are grasslands, savannas, shrublands, many deserts, tundras, marshes and meadows. Millions of acres in Nevada are rangelands. SRM is a professional society dedicated to the proper management of rangelands across the globe.

Contest Elements: Submit a 3-page essay and 3 slide power point presentation on a rangeland related topic by September 1, 2020. Submission should be sent to lewis@rci-nv.com and include the attached Application Form.

For more information on the National High School Youth Forum go to: <https://rangelands.org/students/high-school-youth-forum-papers/>

Winning Essay of the National 2021 High School Youth Forum is published in Range Magazine.

Forum Competitors have the Opportunity to:

—

Network with Rangeland Professionals

—

Participate in Ecological Tours around the Boise Area

—

Network with Peers from International Locations
